

THE JACOB RADER MARCUS CENTER OF THE AMERICAN JEWISH ARCHIVES

A Finding Aid to the Cohen Family Papers

Manuscript Collection No. 223

The chart is a genealogical tree for the Cohen family. It is organized into several columns and rows, with names and dates written in a small font. The chart shows the lineage of the Cohen family, including names like HANNA COHEN, ABRAHAM COHEN, and others, along with their birth and death dates. The chart is a complex diagram showing the relationships between individuals across several generations.

Compiled by Mehl H. Stern from charts to be published in his "Compendium of American Jewish Genealogy"
