I have been wanting to spread the serum for a long time
- as matter of fact, you will attain some extent
over Hiroshima. I was in Pacific at times, & even
guarantee that you would be brought to the coast
down out having awareness that had several
dominions of distribution. It's loose or worse, which
ending completely, worse or day, doing work.

Franklin That I could I speak to my congregation, & mission
sailors how at a flock, you had better put in on
man, women, children; orphans. We were horrified
at what we had seen, the at time we felt we had
preaching & doing it. My mind is upon the
to the world. But all the time I have had the
the mother & father's children, & children
Nagasaki did not deserve it
Was that that they feel even worse than
just one, with the, indiscriminate
obliteration of curbs, population for all

Made it men of Japan
to report, like you said - Conclude
for every -
one of the same
Some Hiroshima, have perfectly frank for now
Secrets discovered by Paris - U.S. has given
forward, understand - Agreement conference
